

# **SAVING ENERGY IN TRADITIONAL NORTH EAST HOMES**

**November Conference 2021**

**Tuesday evenings 6.45pm – 9pm**

**16<sup>th</sup> and 30<sup>th</sup> November**

**Join us free online on Microsoft Teams via [Eventbrite.co.uk](https://www.eventbrite.co.uk)**

**Are you a homeowner or landlord looking for advice?**

**Energy Saving Tips**

**Reducing heat loss in your home**

**Importance of House Maintenance and Repair**

**Insulation measures for Traditional Stone buildings**

**How to Improve EPC rating of your home**

**Advice and Funding Options**

**For more details of how to join both events:**

**[www.savingenergyaberdeen.co.uk](http://www.savingenergyaberdeen.co.uk)**

## Join us virtually via Microsoft Teams

**Aberdeen City Council and industry speakers will guide you through targets and measures to reduce your energy consumption and carbon emissions in granite/stone built homes.**

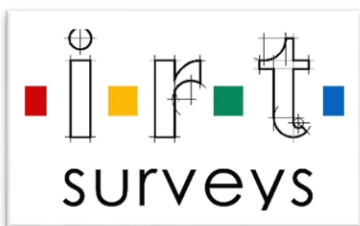

**Sit down, relax and join us for two exciting evenings of speakers where we will discuss what you can do to reduce your energy consumption and improve your property's Energy Performance Rating (EPC). From simple everyday energy saving tips, maintenance, repairs through to which insulation measures may be suitable for your property.**

**Start your journey to an energy efficient home here.**

**Expert speakers on Whole House Retrofit**

**Funding advice and support and a Q&A to answer any queries you have.**

**Please join us from 6.45 – 9pm on 16<sup>th</sup> and 30<sup>th</sup> November 2021.**

Aberdeen City Council,  
Marischal College,  
Broad Street,  
Aberdeen.
